NEWS OF STAGE AND SCREEN—MARION THEATER PROGRAM

Popular Stars Featured in Palace Theater Film

Myrna Loy, Clark Gable and Jean Harlow Cast in "Wife Versus Secretary."

A three-star picture, "Wife Versus Secretary," will open the week's bill at the Palace, bringing Myrna Loy, Clark Gable and Jean Harlow together for the first time. The picture will open Sunday and will be shown through Wednesday.

Thursday there will be a feature picture, "Woman Trap," and a stage show and on Friday and Saturday there will be a two-star treat, "Rose of the Rancho," co-starring Gladys Swarthout and John Boles.

Faith Baldwin, who writes among the best of the modern novels, wrote the novel from which the Loy-Gable-Harlow picture was made. In addition to the triple lineup of stars, the supporting cast gives prominence to May Robson, Hobart Cavanaugh, James Stewart, George Barbier and Gilbert Emery.

The action of the picture swings from skyscraper penthouses of New York to the tropical beauty of Havana as the wife, played by Myrna Loy, attempts to win back her husband.

Clark Gable, from his attractive personality, the role taken by Miss Harlow.

"Rose of the Rancho" brings together one of the loveliest of the Metropolitan Opera Company stars, Gladys Swarthout, and one of the handsomest of the men of the concert stage and screen, John Boles, in the story of a beautiful, high-spirited Spanish girl who led her people against the rapacious American land-grabbers in the famous case of California's gold-mining.

The story has thrilled motion picture and stage audiences for more than 20 years. The play was first seen on Broadway in 1912 and in 1914 DeMille made a picture with Beulah Bartleson and J. W. Johnston as its stars. The music was added with the latest edition.

Miss Swarthout sings five songs and performs the intricate "Spanish" dance. Contrary to a popular belief that Miss Swarthout is of Spanish origin, the lovely singer is of Holland-Dutch extraction and several generations ago the family name was Swarthout.

A wisecracking reporter who gets his tips from criminals is the principal character in the Thursday picture, "Woman Trap." George Murphy and Gertrude Michael head the cast, which includes Bonnie Karna, Akim Toulonoff, Samuel S. Hinkle, Sidney Blackmer and Dean Jagger.

Miss Michael portrays the girl whose zest for novel adventure plunges the reporter into peril.

ARTIST PICTURES MOVIE HIGHLIGHTS

"PADDY O'DAY" OHIO FEATURE

Will Be Followed by Double Bill, Including Charlie Chan Picture.

Peppy Jane Withers' latest picture, "Paddy O'Day," which will be the Ohio feature for four days, starting today, will be followed by a double-feature program Wednesday through Friday, offering Warner Bros.' latest characterization of the eminent detective, Charlie Chan, and "Navy Wife," which is based on Kathleen Norris novel, "Beauty's Daughter."

On the same program with the Withers picture will be the March edition of March of Time, treating this month with timely subjects including the Townsend old age plan.

Brilliant Cast
Pinky Tomlin, Jane Darwell, Rita Cansino and George Givot support the dashing Jane Withers in her fascinating adventures as a motherless little girl from Erin in the strange city of New York. When she arrives at Ellis Island she learns her mother has died and she must be sent back. She eludes the vigilant eyes of the Immigration inspectors and escapes to the house where her mother used to work. It is a strange, crazy household, presided over by two eccentric aunts who repress the almost irrepressible Tomlin. Tomlin and Jane discover each other and have many gay adventures as the little girl introduces Tomlin to her Russian acquaintances of the ship and finally romance springs up between Tomlin and Rita Cansino, the loveliest of the Russians.

There are several catchy tunes, including "Keep That Twinkle In Your Eye," "I Like a Balalaika," "Changing My Ambitions," and "Which Is Which."

Oland's latest picture is "Charlie Chan's Secret," in which the detective is assisted by Rosina Lawrence, Astrid Allwyn, Hendrika Grossman and Charles Quigley.

Gets His Man
With 13 suspects to combat and a threat of death to himself, Chan goes about his wily way of trapping the murderer of a young heir he has trailed half way round the world.

Clinte Trevor, Ralph Bellamy, Jane Darwell, Warren Hymer and Ben Lyon head the cast of "Navy Wife." For the first time in motion pictures, the medical and nursing corps of the U. S. navy is used as the background of a film romance. The story is of a modern girl who accepts an amazing proposal because her own parents' failure at marriage had made her afraid of love. Then she finds herself fighting the memory of a dead wife for her husband's love. Miss Trevor plays the role of a girl and Bellamy the role of a man.

that he and his sweetheart have known. Dorothy Lee of the Wheeler-Woolsey pictures, and Eddie Nugent are in the supporting cast.

The Thursday through Saturday bill will offer "Red Wagon," with Charles Bickford, and "Desert Gun," in which Conway Tearle, who used to be the Beau Brummel of the drawing room pictures, is cast in a dual role, as a G-man joined to a cattlemen's association to track down a vicious gang of murderous cattle thieves, and as the chief of the rangers.

Raquel Torres, whose real name is Wilhelmina von Osterman, plays the role of a spy girl in the Bickford picture. It's a circus story, as the title suggests, and in addition to the star and Miss Torres the cast includes Grete Nissen, Don Alvarado, and Anthony Bushell.

DEMOCRATIC CLUB PLANS PROGRAM
Entertainment and a speaking program will feature the monthly meeting of the Marion County Democratic club Tuesday night at the club's headquarters on East Center street.

The entertainment program, which will include music, will follow a brief business meeting. Herbert Kreba, president, said arrangements have not yet been completed for the speaking portion of the meeting.

STATE BOOKS BRITISH FILM

Part of Two-Feature Program Scheduled To Open Week's Attractions.

A new British picture, "First a Girl," will come to the State Sunday and Monday on a two-feature program with "Murder at Glen Athol." Jessie Matthews, known as England's dancing divinity, Sonnie Hale and Griffin Jones are the important members of the "First a Girl" cast in private life.

Miss Matthews is Mrs. Sonnie Hale. She decides to be a boy and then falls in love. After that the scramble of mixed identities begins.

A musical romance, "The Old Homestead," with Mary Carlisle and Lawrence Grady featured, will be shown Tuesday and Wednesday with a Bob Steele western, "No Man's Range." Gray, a farm hand, is lured by a great opportunity and deserts the village for the city. He wins overnight fame, only to have the disturbing influence of city life wreck the happiness.

Wiley Paden, artist, discovered some interesting things about the stars and director of "Wife vs. Secretary," which will be at the Palace Sunday through Wednesday and be sketched them in the above interesting way.

Your Health

BY DR. H. S. COPELAND

Colitis

The irritable colon is a common form of intestinal trouble frequently confused with colitis. Doctors often speak of irritable colon as colitis, which is a mistake. The irritable colon is a disease of the large intestine, while colitis is a disease of the small intestine. The symptoms of irritable colon are a feeling of fullness, bloating, and discomfort in the lower abdomen. The symptoms of colitis are a feeling of burning, pain, and discomfort in the upper abdomen.

There are other signs of nervous irritability such as palpitation of the heart, headache, nausea, and vomiting. The victim suffers from

constipation or diarrhea, distention of the abdomen, gas formation, flatulence, feeling of weakness and loss of appetite. Canker sores in the mouth is a common symptom.

When such disturbances occur it is wise to consult a physician. What may seem to be colitis may in reality be an irritable colon. Since each case is a different problem, a definite rule can be laid down as to what to do for a given case of intestinal disorder.

It is certainly true that fear, anxiety, and other emotional disturbances must be overcome if possible. So long as the patient is in a nervous state, the condition will not improve. It is important to have a simple, but properly balanced, containing adequate amount of vitamins and minerals.

Some cases of irritable colon are due to an allergic reaction, meaning sensitivity to some food. It may be necessary to resort to tests to determine the truth. This can be determined by skin tests and if the food is found to be positive, the offending foods are omitted from the diet.

Never ignore any disturbance of the colon or intestinal tract. Delay in obtaining the necessary treatment may mean prolonged illness. Avoid medicines that are advised to cure this affliction. Let your doctor prescribe for you.

The Stars Say—
For Sunday, March 1

SUNDAY'S HOROSCOPE
Hints auguries for many benefits and joys for things of church and state with high favoritism and preferment from those in authority. It is a propitious time for approaching superiors and influential persons for favors or substantial friendly assistance. Friendship pleasure and social prestige are in order but these are likely to invite extravagance and indulgence, perhaps beyond the means. Be careful in this regard and sign all writings with caution.

Those whose birthday it is may find themselves launched in a year of much opportunity with the friendly support of those in place and power. This may be fought with confidence if propensities are meritorious and practical.

A child born on this day may be talented, efficient, and ambitious with strong urges to sit in high places. Popularity, pleasure and extravagant indulgences may be alluring.
Notable nativity: Georg Ebers, novelist.

For Monday, March 2
MONDAY'S ASTROLOGICAL forecast is for a memorable day with much that has been impending and obstructing progress and advancement, summarily swept away. Old crystallized conditions will give way to new situations, attended by definite stabilizing of the fortunes, with increase and security in real possessions, tenancies and places of business.

Those whose birthday it is will find themselves in a year in which most substantial progress will be made in the establishment of a business, with increase and advancement in the same. The day is a propitious one for the signing of contracts and the making of agreements.

NUDE ART TIF BRINGS ARREST

Richmond Academy Officer Held on Charges Paintings Are Immoral

By The Associated Press
RICHMOND, Va., Feb. 22.—A controversy over the "morals" involved in the display of nude and semi-nude figures in mural paintings here led to the arrest yesterday of John Stewart Bryan Jr., vice chairman of the Richmond Academy of Arts.

The warrant was sworn out by F. M. Terrell, leader of a self-appointed committee who had warned that action would be taken if the paintings by Mord Gansner were not removed by noon today.

Bryan was bailed for his appearance in police court tomorrow morning to answer the charge of violating Section 146 of the Virginia code declaring it to be a misdemeanor to keep, sell, distribute or display any obscene books, pictures, etc. which tend to corrupt the morals of youth.

Bryan had not Terrell's ultimatum that the murals must come down by noon with the bail statement.

I have nothing to say. The exhibition will be continued. Terrell, claiming his mind in the matter sought to withdraw the warrant after it had been issued but it was served on Bryan before he could get it canceled.

The paintings which have been on display here for several weeks deal with such abstract subjects as the "Aeon of Man," Terrell said.

If this is the case, there is no such thing as vice. Gansner, complex to the life of his art, said in a long distance telephone conversation from his Long Island home that only a class and prejudice could read vulgarity or indecency into his work of art. He said:

My pictures may be a little bit extraordinary in one respect as they come at a time when most artists are playing with geometrical forms and I have been trying to create as Dante did. They did not display the unadorned and unadorned naked figure of the Greek.

GOOD GARDENING

IN SOME TYPE OF GARDEN ASHES may be used to good advantage. Coal ashes, although they have little value as fertilizer, will lighten and loosen heavy clay soils and make them more workable. Ashes from oak and hickory frequently contain as much

as seven per cent of potash and some lime — matter beneficial generally to many garden crops, especially apples and sometimes carrots. Not more than 50 pounds of hardwood ashes should be applied to a 100 sq. ft. plot and the ashes should be well mixed with the soil.

DAVID W. GRIFFITH WINS DIVORCE

Special to The Star
LOUISVILLE, Ky., Feb. 22.—David Wark Griffith, who turned the old-time flickers into the modern movie art, got a divorce yesterday, but he parried every question as to why he finally took the step after 25 years of separation from his wife.

The veteran producer did not appear in court for the decree, granted in the town of La Grange, Ky., where he was born 36 years ago. His deposition stated that he and Linda Aronson, an actress whom he married in Boston in 1909, had not lived together since they parted in 1911 and that he did not know her whereabouts.

There were rumors a plenty in La Grange that Griffith's reason for the divorce was another matrimonial venture.

Griffith, a son of a Confederate cavalry colonel, Jacob Wark Griffith, owns a home in La Grange, a modest two-story frame house usually unoccupied when he is not there.

Harding Defeats Galion; County Tourney Near Close

Presidents Assured Share Of N.C.O. League Crown

Victory Winds Up League Season for Marion Team With 15 Games Won and One Lost.

By CHARLES HOSSETTER
Marion Star Sports Writer

MARION'S Harding High Pre-Devs. rang down the curtain on the 1935-36 basketball season last night at the Shovel gymnasium by routing the Galion High cagers, 50 to 25, to complete the season with a record of 15 victories in 16 games.

The victory assured the Presidents a share in the North Central Ohio league title, with only one conference defeat to mar their record. League competition for the season will end when the Ashland Hilltoppers also defeated only once this season, travel to Mt. Vernon for the final game of the season next Monday night. Other league teams completed their schedules last night.

If Ashland beats Mt. Vernon Monday Marion and Ashland will split the league title. If Ashland should lose, Marion would have undisputed claim to the league championship.

From the opening whistle the Harding varsity regulars began a scoring drive which gave them a 17 to 3 advantage at the end of the quarter. A 25 to 4 lead at the half and a 40 to 10 lead at the 25-minute mark were the final margins of victory over Galion. The heavy total Harding players amassed permitted Coach Dwyer N. Bohrer to substitute freely and use 14 men.

During the first half the Harding team held Galion scoreless from the field. The following squad succeeded in gathering four points on 12 attempts from the free throw line. Harding substitutes finished the final minutes of the second period and played nearly all of the third stanza. The regulars saw action again in the third period which ended 45 to 11. The lineup was well replenished with second string players for the remainder of the game.

The second half approached the proportions of a full shooting contest with officials calling infractions of the rules close. A total of 44 fouls 20 against Marion and 18 against Galion were called in the game with 27 free throws attempted. Marion made the best average on both action and foul shots. The regulars lost 15 of 21 field goal attempts and 14 of 21 charity throws while Galion made only 6 of 21 attempts for goals and 13 of 36 foul shots.

Lanny Knight registered the most points for Harding turning in a total of three field goals and two fouls with Rex Lrazier just a point behind with two field goals and three fouls. Bill Tierney, Duane Hunterman and Bill Leffler each scored six of Harding's total. The six scorers for Harding registered on three goals gave them a total of 92 points scored in 10 league games. Tierney was previously in a tie with Bob Sprague of Ashland for N. C. O. high scoring honors, both having 86 points in nine conference games. Sprague will have an excellent chance to top the lead scoring honors when his team plays its final game against the Mt. Vernon Yellow Jackets Monday night.

It took the Mounties just 55 seconds to score their first goal after the opening tip-off. On the first trip down the floor, Bob Minard missed as he was crowded under the hoop. After a Galion scoring attempt failed, the Presidents broke into the scoring column on Lanny's sucker shot. Galion's initial score was made on a free throw by Edrich but Conroy hoisted Marion's lead to 43, as he outwitted Galion guards and tallied a clean sucker shot. Edrich made Galion's second point on another free throw but Marion took the big lead of 42 to 12 in the second quarter. The Presidents broke into the scoring column on Lanny's sucker shot. Movement To Form City Hardball League Started

Possibility that Marion may have a six team city industrial baseball league this summer grew brighter following a meeting of more than 25 former players and interested persons last night at the Ohio Fuel Gas Co. office at 198 West Center street.

Members of former Marion hardball teams called the session at the suggestion of H. Van Oss and William Durnell to discuss plans for a league.

Plans for organization of an association to operate the league and control its activities were offered at the meeting last night. It was decided to call a similar session in the near future to organize the league.

Practically every top-notch three-year-old was named today for a try at the Kentucky Derby honors on May 2.

The 1936 nominations made public today by Colonel Matt J. Winn, executive director of Churchill Downs, were unusual for their small total for the fact that every possibly two exceptions every owner with a real chance joined in and for the few fillies listed.

There is no outstanding favorite this year but the pair regarded among the Kentucky experts as favorites for the \$100,000 added purse are among the 102 who owners paid the nomination fee.
